## Children Together Foster Care Program

# Caring & Commitment

## Children Together Foster Care Program

We provide emergency shelter, foster care homes, support services and permanency for hundreds of children and specializing in sibling groups. These children range from newborn to 18 years of age who are able to maintain their nurturing family bonds within the same home.

## Children Together Home

The Children Together Home Is operated by a full complement of trained, professional staff. We can accommodate five young ladies with 24 hour care and supervision to insure their well-being intellectually and emotionally. Our staff consists of a full-time case counselor, as well as, full time and part time case aides. We also offer consultants that are **Licensed Certified Social Workers (LCSW)** and **Licensed Certified Alcohol and Drug Counselors (LCADC)** for mental health and substance abuse issues. Our clients receive individual counseling, group counseling, life skills training and they also engage in cultural and recreational activities.

## Children Together Recruitment Department

This department consists of staff who actively recruit prospective resource parents and implement the **Parents Resource Information Development and Education (PRIDE)** training program. The staff also prepares the Prospective Foster Parent for state licensure.
